Case No. 3AN-08-1252 PR

8 **MOTION FOR EXPEDITED CONSIDERATION**

9  
10 The Alaska Psychiatric Institute ("API"), through the Office of the  
11 Attorney General, moves for an order, pursuant to Civil Rule 77(g), granting expedited  
12 consideration of its Motion for Clarification of Order filed this date. An order granting  
13 the administration of medication ("the order") was issued by this Court on  
14 November 25, 2008, and simultaneously stayed. Given Mr. Bigley's continued  
15 instability during his commitment at the facility, API requests clarification of the order  
16 so that emergency medication may be administered to Mr. Bigley should his behaviors  
17 become such that he is a danger to himself or others. A decision is needed on the  
18 principal motion by December 5, 2008. This motion for expedited consideration is  
19 supported by the attached affidavit.
