Hi Jim,

Thomson has apparently changed its mind on telling me how to access DRUGDEX through Westlaw.

Jim, I am not going to be able to get you this information. I'm really sorry that I can't be more helpful.

Hi Jamie,

How are you coming on getting me the pricing and find information? I'd like to be able to work on this this weekend.

Hi Jim. I can't give you a temporary password to access these materials, for obvious reasons, but they are looking into locating the list of DrugDex evaluations and their assigned numbers in Westlaw so that you can use the "find" feature to locate those documents. That is beyond my expertise, so I have an account manager looking into this issue.

Hi Jamie,

It was a pleasure speaking with you, as always. I have (hopefully) attached a copy of what I call a DRUGDEX entry, for the drug Geodon (ziprasidone). What I am looking for are the similar entries for the following drugs:

1. Abilify (Aripiprazole)
2. Adderall (amphetamine/dextroamphetamine )
3. Concerta (methylphenidate)
4. Cymbalta (duloxetine)
5. Depakote (valproic acid)
6. Desyrel (trazadone)
7. Dexadrine (dextroamphetamine)
8. Effexor (venlafaxine)
9. Haldol (haloperidol)
10. Invega (paliperidone)
11. Lamictal (lamotrigine)
12. Lexapro (escitalopram)
13. Neurontin (gabapentin)
14. Risperdal (risperidone)
15. Ritalin (methylphenidate)
16. Seroquel (quetiapine)
17. Symbyax (fluoxetine hydrochloride/olanzapine) -
18. Tegretol (carbamazepine)
19. Tofranil (imipramine)
20. Trileptal (oxcarbazepine )
21. Vyvanse (lisdexamfetamine)
22. Zyprexa (olanzapine)

I am also interested in potentially getting others, such as

- alprazolam (Xanax<sup>®</sup>)
- Clonazepam (Klonopin<sup>®</sup>)
- clorazepate (Tranxene<sup>®</sup>)

- diazepam (Valium<sup>®</sup>)
- flurazepam (Dalmane<sup>®</sup>)
- lorazepam (Ativan<sup>®</sup>)
- temazepam (Restoril<sup>®</sup>)
- zaleplon (Sonata<sup>®</sup>)
- Zolpidem (Ambien<sup>®</sup>)

**The big problem is that the ones I had were cut off on the right and the court denied PsychRights' Motion for Preliminary Injunction without prejudice to refile with complete exhibits so I need them to be complete and fit on a regular 8.5 x 11 PDF page.**

Jim, you can't get access to the Medical Litigator package for less than a 12 month contract, but you can also access the DrugDex evaluations database and be charged on a (i) per search or (ii) time basis. For a charge of \$174, you can run one search of the DrugDex evaluations and include in that one search the names of each of the drugs for which you seek an evaluation. If you need help with this search, please contact the reference attorneys at 1-800-REF-ATTY.
