This is a follow-up request to my previous request of 11/14/2005, FOIA # 2005/872.

Under the Freedom of Information Act, I request that a copy of the following documents be provided to me:

* Minutes of all Michigan Mental Health Advisory Committee (MHAC) meetings after September 14, 2005.

* Minutes and other records of all Pharmacy Quality Improvement Project (PQIP Workgroup) meetings after July 26, 2005.

* Records of any discussions or correspondence with Ms. Molly Bodenschatz (Eli Lilly and Company) by any MHAC member or any PQIP Workgroup member after June 2005.

* Any material related to PQIP which may have been omitted or overlooked by your office in response to my initial FOIA request of November 14, 2005.

I request a waiver of all fees for this request because disclosure of the requested information is in the public interest and will in no way benefit any commercial interest of my own. I am a member of the Michigan Department of Community Health Recipient Rights Advisory Committee with a legitimate interest in the practices of our state's mental health system. If a waiver of fees cannot be granted to me, I am willing to pay all reasonable fees.

I may be contacted by email or telephone, if necessary, to discuss any aspect of my request.

Thank you for your consideration of this request.

Sincerely,

Ben Hansen
