

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA, and THE STATE OF WISCONSIN,
ex rel. DR. TOBY TYLER WATSON,

Plaintiffs,

v.

Case No. 11-CV-236-JPS

JENNIFER KING VASSEL,

Defendant.

DR. WATSON'S PROPOSED ADDITIONAL *VOIR DIRE* QUESTION

Relator, Dr. Toby Tyler Watson hereby respectfully requests the Court to consider the untimely filed attached *voir dire* question in addition to the jointly proposed questions. Counsel apologize for this late filing and have eliminated all of the other additional proposed questions Dr. Watson had originally planned to request, but the remaining question asking whether the prospective jurors can follow the law on the central question in the case if they disagree with it seems so important it should be proposed.

DR. WATSON'S PROPOSED ADDITIONAL *VOIR DIRE* QUESTION

- A. Do you believe that insurance should cover every medication that a doctor wishes to prescribe? If you do, are you able to put aside that belief and apply the law to the facts of this case, if the law does not agree with your belief?
